

Adventures in the mainstream: coming of age with Down syndrome / Palmer, Greg -- Bethesda, MD: Woodbine House, 2005.

This book will help families confront many of their hopes and fears as they try and coax a child with a disability into the adult world and toward greater independence. Other parents will appreciate the author's insights and struggles, as well as his ability to enjoy his son's strengths and foibles. This intelligent account also gives professionals a vital personal view of what families go through as they cope with their child's transition into adulthood.

Author Kimberly Thompson chronicles her first two years as the mother of a child with Down syndrome, sharing the fear, anger, happiness and love she experienced.
FAM RJ 506 .D68 T46

Far from the tree: parents, children and the search for identity / Solomon, Andrew. -- New York: Scribner, 2012.

Solomon's startling proposition is that diversity is what unites us all. He writes about families coping with deafness, dwarfism, Down syndrome, autism, schizophrenia, multiple severe disabilities, with children who are prodigies, who are conceived in rape, who become criminals, who are transgender. While each of these characteristics is potentially isolating, the experience of difference within families is universal, as are the triumphs of love Solomon documents in every chapter.

FAM HV 888.5 .S65 2012

Fine motor skills in children with Down syndrome: a guide for parents and professionals / Bruni, Marianne -- Bethesda, MD: Woodbine House, 2006.

The author presents a thorough overview of the building blocks of fine motor development and how the characteristics of Down syndrome can impact the acquisition and progression of fine motor skills.

FAM RJ 506 .D68 B78 2006

Gross motor skills in children with Down syndrome: a guide for parents and professionals / Winders, Patricia C. -- Bethesda, MD: Woodbine House, 1997.

An easy-to-understand explanation of motor development including the impact of temperament and the effect of physical and medical conditions associated with Down syndrome. Includes activities and photos.

FAM RJ 506 .D68 W56 1997

Improving the communication of people with Down syndrome -- Baltimore, MD: Paul H. Brookes, 1999.

This book provides a framework for assessing and treating speech, language, and communication problems in children and adults with Down syndrome. It offers valuable guidelines for assessing comprehension and production abilities, promoting language learning, and alleviating communication difficulties.

FAM RJ 506 .D68 I47

Je prépare mon avenir!: guide pour les parents d'un adolescent présentant une trisomie 21 / Jacques, Line -- Québec: Lanaudière - Association de parents d'enfant trisomique, 2005.

FAM RJ 506 .D68 J326 2005
