Resources for Parents / Ressources pour les parents

Written by leading experts in the field and experienced parents, this guide provides an excellent blend of professional expertise and empathetic advice. Families with newly diagnosed children find answers to their most pressing questions about this often perplexing neurological disorder, as well as coping strategies and emotional support.
FAM RJ 496 .T68 C3 2007

**I have Tourette’s but Tourette’s doesn’t have me: dispelling the myth one child at a time [DVD]**  / Walkup, John  -- New York: HBO & Tourette Syndrome Association, Inc.2005
Children with Tourette’s Syndrome, ages 6 to about 14, candidly describe what it’s like to have Tourette’s. They show what their tics are like, talk about difficulties with school, social isolation, embarrassment, and feeling misunderstood and even unwanted due to the inherited condition they have no control over.
FAM RJ 496 .T68 W34 2005 DVD

**Kids in the syndrome mix of ADHD, LD, Asperger’s, Tourette’s, Bipolar, & more: the one stop guide for parents, teachers and other professionals**  / Kutscher, Martin L  -- London: Jessica Kinsley, 2005.
The author presents effective behavioral strategies for responding to children who display traits of these disorders - whether at home, at school, or in other settings - along with case vignettes and practical tips. His sympathetic yet upbeat approach and skillful explanations of the inner world of children in the syndrome mix make this an invaluable companion for parents, teachers, professionals, and anyone else who needs fast and to-the-point advice on children with special needs.
FAM RJ 506 .B44 K88 2006

**Life’s a twitch** [video]  / Bisaillon, Cindy  -- Montreal: National Film Board of Canada, 2002.
This is the story of Duncan McKinlay, who has Tourette syndrome. At seven, he was called a devil. His parents thought he was delinquent and his classmates thought he was nuts. At 19 he was finally diagnosed and he spent much energy researching Tourette syndrome. Now he has found ways of channeling the extra energy and has finished a doctorate in psychology.
FAM RJ 496 .T68 B57 VIDEO

The story of Michael Lockman, who typifies the average child with Tourette’s syndrome, is woven into the factual text which contains information on symptomology, diagnosis, natural history, biochemistry, genetics, associated disorders, treatment and related topics.
FAM RJ 496 .T68 B78

A compassionate handbook for the family and friends of those newly diagnosed with Tourette’s syndrome, written by experts and parents who’ve been through it all.
FAM RJ 496 .T68 U63 1998

**The unwelcome companion**  / Fowler, Rick  -- Cashiers, NC: Silver Run Publications, 1996.
The author carries his audience along on the painful and poignant journey to find a proper diagnosis and treatment for his disorder, evoking curiosity and compassion in a way no clinical
Resources for Kids & Teens / Ressources pour les enfants et les adolescents

Two boys with Tourette syndrome find a magic marble that can cure their disorder but decide that their friend with cerebral palsy needs the marble more than they do.
FAM RJ 496 .T68 B83

A boy is diagnosed with Tourette syndrome and learns about constructive ways he can manage his condition. Includes nonfiction information from a physician.
FAM RJ 496 .T68 N65 2005

Wrought with tension, romance, and hope, Jerk, California tells the story of Sam, who sets out on a cross-country quest to learn the truth about his family and his inherited Tourette's syndrome, along the way finding both love and acceptance.
FAM RJ 496 .T68 F74 2008

In his own words, Dylan helps readers of all ages understand Tourette syndrome and the enormous pressures this little understood affliction places on those who have it and on those who love them.
FAM RJ 496 .T68 P48 2009
