File No.: 1-1-5

Honourable Jay Hill,
MP, for Prince George-Peace River
9031 100 Avenue
Prince George, BC V1J 1X5

Dear Mr. Hill:

Re: The Rights of Canadian Children

At its Regular Meeting held Monday, March 8, 2010, Council of the City of Dawson Creek passed the following resolution:

"MOVED/SECONDED, AND CARRIED,
THAT the City send a letter to MP Hill endorsing the Joint Statement on Physical punishment of Children and Youth requesting that the federal government abolish Section 43 of the Criminal Code and implement the United Nations Rights of the Child in Canada.
CARRIED"

This resolution was made for the best interest of Canada's children. The government has a special role to play in creating a protective and enabling environment for children. Implementation of the UN Rights of the Child is long over-do. Please act now to abolish Section 43 and to implement the UN Rights of the Child.

Yours truly,

Brenda Ginter
Director of Corporate Administration
