Books / livres

Resource List for Families on Hard of Hearing/Deaf

Liste de ressources pour les familles de déficience auditive

Better communication and cochlear implants: a user's guide

Austin, TX: Hear Again, 2000.

FAM HV 2426 .B47

This workbook is filled with information and practice activities that will help the cochlear implant user learn how to hear again.

Choices in deafness: a parents' guide to communication options

Bethesda, MD: Woodbine House, 2007.

FAM HV 2471 .C46 2007

This guide provides comprehensive information on various methodologies with straightforward delivery, offering the perspective of parents and of children who have grown up since the publication of the first edition. This edition also covers in depth the medical causes of hearing loss, the diagnostic process, meeting with the audiologist, and the pros and cons of the newest technology, the cochlear implant.

El Deafo / Bell, CeCe; Lasky, David (ill.).

New York: Amulet Books, 2014.

FAM HV 2391 .B47 2014

Going to school and making new friends can be tough. But going to school and making new friends while wearing a bulky hearing aid strapped to your chest? That requires superpowers! In this funny, poignant graphic novel memoir, author/illustrator Cece Bell chronicles her hearing loss at a young age and her subsequent experiences with the Phonic Ear, a very powerful and very awkward hearing aid.

Patrick, l'enfant qui entendait mal / Riske, Maureen Cassidy.

Mississauga, ON: Phonak, 1993.

FAM HV 2392 .R5714

Ce livre suit Patrick, qui a de la difficulté à tout entendre, et son adaptation lorsqu'il doit mettre des appareils auditifs. Pour les enfants de 4 à 8 ans

Raising and educating a deaf child [2nd ed]: a comprehensive guide to the choices, controversies, and decisions faced by parents and educators / Marschark, Marc.

New York: Oxford UP, 2007.

FAM HV 2391 .M26 2007

This book covers topics ranging from what it means to be deaf to the many ways that the environments of home and school can influence a deaf child's chances for success in academic and social circles. The new edition provides expanded coverage of cochlear implants, spoken language, mental health, and educational issues relating to deaf children enrolled in integrated and separate settings.

A screaming kind of day / Gilmore, Rachna.

Toronto: Fitzhenry & Whiteside, 1999.

FAM HV 2391 .G54

About a young hearing-impaired girl, her family, and her love for the rain. Appropriate for ages: 4-8 years

Starting point: a resource for parents of deaf or hard of hearing children / Canadian Hearing Society.

Toronto: Canadian Hearing Society, 1999.

FAM HV 2576 .C35 1999

Taking hearing impairment to school / Schneider, Elaine Ernst.

Plainview, NY: Jayjo Books, 2004.

FAM HV 2471 .S36 2004

Through Jacob's story, readers learn about sign language, interpreters, hearing aids and speech therapy for kids with hearing impairments.

Understanding childhood hearing loss: whole family approaches to living and thriving / Fligor, Brian J.

Lanham, MD: Rowman & Littlefield. 2015.

FAM HV 2576 .F55 2015

Written from the perspective of a pediatric audiologist who has diagnosed hearing loss in newborns and young children, this book offers an explanation of what is hearing loss for parents, describes who is on the team working with the child (and team members roles), and practical guidance for navigating what can be an uncertain path for families.

The young deaf or hard of hearing child a family-centered approach to early education

Baltimore, MA: Paul H. Brookes Publishing Co. 2003.

FAM HV 2391 .Y68 2003

The book takes a family-centered approach and supplements its broad research base with concrete suggestions and vignettes illustrating the experiences of early interventionists and parents of deaf and hard of hearing young children. It discusses language and literacy, family-centered services, legislation and policy considerations, program development and evaluation, and educational strategies for teaching young children who are deaf or hard of hearing.

Resource List for Families on Sign Language

Liste de ressources pour les familles sur le langage par signes

Baby sign language basics: early communication for hearing babies and toddlers / Briant, Monta Z.

Carlsbad, CA: Hay House, 2009.

FAM HV 2476 .B73 2009

In this book, parents will learn how to make sign language a part of their everyday interactions with their children. Also available in DVD format.

The baby signing bible: baby sign language made easy / Berg, Laura.

New York: Avery, 2012.

FAM HV 2474 .B38 2012

This book provides step-by-step instructions for parents and other caregivers, as well as insight into why baby sign language is useful for children of all ages.

Baby signing time! signing fun with your little one! [DVD]

[Salt Lake City, Utah]: Two Little Hands Productions, 2005.

FAM HV 2474 .B32 2005 DVD

This DVD provides vocabulary specific to the daily routines of children from birth to three years.

Mes petits signes / Luthringer, Mélisande.

Paris: Fleurus, DL, 2019.

FAM HV 2474 .L96 2018

Un imagier de la langue des signes pour communiquer autrement avec votre bébé et l'aider à grandir en confiance.

Sign language: my first 100 words / Nelson, Michiyo.

New York: Scholastic, 2008.

Featuring sleek graphic illustrations and a simple kid-friendly design, this reference book makes learning sign language fun and easy. Learn one hundred basic signs for everyday use in helpful categories. Also includes instructions on how to finger spell the entire alphabet.

FAM HV 2476 .S54 2008

Sign language for kids: a fun & easy guide to American Sign Language / Heller, Laura.

New York: Sterling Pub. Co., 2004.

FAM HV 2476 .H45 2005

From the ABCs and the 1-2-3s, to full sentences, this guide teaches youngsters all the basics of American Sign Language (ASL). Often, a sentence accompanies the sign, so that kids can grasp the use of verbs and other parts of ASL grammar.

Sign language made simple / Lawrence, Edgar D.

Springfield, MI: Gospel Publishing House, 1999.

FAM HV 2474 .L38 1999

This book teaches sign language in sentences rather than individual words. It includes graphic drawings, index, and additional learning tools.

Signing: signed English: a basic guide / Bornstein, Harry.

New York: Crown, 1984.

FAM HV 2474 .B67

This is a quick-reference dictionary to sign language for everyone who wants to communicate with someone who is deaf or hearing-impaired.
